

Registration / Materials

In order to create thorough and interesting learning experiences for our students, we provide students each year with all the books and sheet music they need, as well as give access to teachers to our well-maintained music library. Student materials also include binders, assignment sheets, other supportive materials including practice sheets, periodic practice and homework awards, flashcards, theory books, theory tests and practice materials, and musicianship pages. The materials fee also covers festival and event registration processing as well as fees for accompaniment of voice and string students within up to two recitals (there is a separate fee for rehearsal time outside of the recital itself.) Students taking theory classes will pay a separate \$25.⁰⁰ materials fee annually which is due with the first tuition payment. And lastly, in recognition of our students' achievements and at the end of the year, we also give out certificates, ribbons, and trophies. All these things, and countless other small items throughout the year are covered by this annual fee.
